

Youth Sponsorship Program

OBJECT OF PROGRAM: A program for any youth that feel they would benefit from individual lessons with a professional trainer. We are asking youth to show their dedication and desire to be a part of this program by going out and raising money for lessons thru sponsorships.

Youth are asked to go out and obtain sponsorship money which WRHA will match dollar for dollar **up to \$150**. Example; Obtain \$150 in sponsorships, **WRHA will add \$150 so total of \$300 available**. Money is to be used for lessons provided by one of the training facilities on our list.

Sponsorship money can be solicited from businesses, friends, family, etc. and is to be paid directly to WRHA.

The youth member will be responsible for their own transportation and setting up time/date for lessons directly with trainer. Lists of date and times of lessons to be provided to WRHA who will then coordinate payment direct to trainer.

A list of trainers to be used is attached: Trainers on this list are well versed in ranch shows/classes and have committed to the rules of this program, some are ARHA judges. We have tried to provide a variety of locations in Wisconsin and northern Illinois to accommodate as many youths as possible.

Open to all youth riders that have actively shown with WRHA in the past one or two years (either 2022 and/or 2023) and have a current 2024 membership. Program available to the first 15 youth that submit their sponsorship forms.
